

Moulton Surgery

Your local Police Community Support Officer, Allan Whenmouth and the Clerk to the Parish Council, Jane Austin will be holding a joint Police and Parish Council Surgery every 3 weeks on a Saturday morning.

This gives any resident the opportunity to come along and have an informal chat, ask any questions or share your concerns with either or both of us.

It will be located at the library on High Street and we shall be available from 1000 hrs – 1100 hrs.
